Congratulations!

In recognition of the effort you have shown in keeping your property well maintained, you have been selected as a recipient of Akron's **2010 Beautification Watch Award**. Volunteers from Keep Akron Beautiful spend the month of July canvassing neighborhoods looking for residences, institutions and businesses that exemplify the following criteria:

- ❖ The property should be litter-free.
- ❖ The property should have well-maintained flowers, shrubs and/or trees.
- ❖ The property should be free of weeds.
- ❖ The property should stand out from its neighbors.

The Beautification Board of Keep Akron Beautiful established this award in 1983 to recognize the individuals, organizations and businesses that consistently work to keep their property clean and beautiful. By landscaping your property in such an attractive manner and keeping it litter-free, you have helped to enhance the appearance of our city. Surely your efforts encourage your neighbors to follow your lead.

Keep Akron Beautiful (KAB) is a nonprofit agency celebrating its **29th year** of service to the city. KAB is responsible for implementing a comprehensive litter prevention, recycling promotion, and public beautification program for the City of Akron. The beautiful KAB Flowerscape sites planted throughout the city are made possible by corporate, foundation, and individual contributions. These sites complement your noteworthy efforts. Thank you for demonstrating community spirit and by planting pride.

Sincerely,

Eric J. Jones, Chairperson
