

In memory of a hero ...

The staff and residents of Lake Park Village Apartments in Streetsboro, at 1738 State Route 303, had a June 21 benefit/fundraising event for U.S. Army Spc. Adam S. Hamilton, from Kent, who was killed in Afghanistan on May 28. Some local children, including Tony Reed and Zax Collica at right, set up a lemonade/iced tea stand outside the clubhouse. All the proceeds are going to the Adam Hamilton Scholarship fund that is set up with Portage Community Bank in Ravenna and Kent. The children raised \$105 selling drinks and the benefit raised an additional \$200 in the Clubhouse. Hamilton, 22, died May 28 in an explosion in Haji Ruf, Afghanistan, while serving as a sniper with the 1st Infantry Division.
